

Little Footprints March 2010

Live a life of love, just as Christ loved us and gave Himself up for us as a fragrant offering and sacrifice to God. Ephesians 5:2

Daylight Savings time **SPRING FORWARD**, March 14, 2010.

Parents please try to be here by 9:30a.m. If the children come in later than that is it really hard to get them settled down for nap. Thank you in advance.

Mosart will be here on **March 8, at 9:30** to make Easter eggs or crosses with your child. If your child is absent that day make up they will be on March 11th. Missy Spell is one of our mothers at Little Footprints. Missy opened Mosart on Hwy 51 in Madison. If you have not been there, take your children. It is a great place to make memories.

March 4th, Mrs. Jackson and Mrs. Pritchard's classes will host Teacher Appreciation snacks. This is our way of showing how much our teachers mean to us. You may leave your dish in the front room.

Just a reminder that Little Footprints will be closed on Friday, April 2nd, for Good Friday.
